CHANGE OF ROUTINE FOR EVERYONE: The current global crisis known as COVID-19 has certainly imposed lots of lifestyle changes in recent weeks and in some cases our daily routines have been tremendously altered. For now, it is the “new normal”. Hopefully when this crisis wanes in its severity and some of the mandatory regulations are rescinded, we can return to

some semblance to how life use to be, but that recovery will be slow and cautionary. Remember, we’re all in this together.

COMMUNITY NEWS AND UPDATES

Spring is certainly in the air. Flowers are blooming and the grass is starting to grow. Some of you have been busy with your spring planting and shaping of your flower beds. Also, new spring flowers will be planted at the front entrance soon. Now is the time to take a good look at your property to see what else needs to be done. Whether it’s raking leaves, picking up pine cones, trimming hedges, power washing your

house or surrounding fence, removing accumulated yard or construction debris, or completing small renovation projects, let’s all do what we can now, while we’re all “sheltering at home”.

POWER WASHING TO BEGIN SATURDAY, April 11th

The community fence will be power washed on Saturday, April 11th. Please drive carefully entering and exiting the community and be aware of the power washing equipment that will be in use.

For the record, there is **NO OFFICIAL PLEASANT FARM FACEBOOK PAGE**. It recently came to the PFHOA Board's attention that the page "**Pleasant Farm Neighbors (Beaufort SC) 'Unofficial'**" contains derogatory comments directed toward the PFHOA Board. The PFHOA Board has obtained copies of the comments that are found to be disrespectful in tone and some of the comments were erroneous in their content. The page shows that it has 69 members. In that most of these members are also residents of Pleasant Farm, please note that the OFFICIAL manner for communicating with your PFHOA Board is through direct contact via email with the Board members. The email addresses of each member are listed at www.pleasantfarm.org or simply send an email stating your comments or concerns to the entire board at once to board@pleasantfarm.org. In that a resident of Pleasant Farm is the admin for the unofficial page, the PFHOA Board simply asks that the page be more closely monitored to ensure that its own rules are not violated which are posted below:
