COMMUNITY NEWS AND UPDATES

There has been quite a bit of neighborhood activity recently as we have new homeowners. When you have an opportunity please extend a warm Pleasant Farm Welcome to:

John and Chelsea Ackerman
5911 Pleasant Farm Drive

Mike and Cicely Nicholas
5935 Pleasant Farm Drive

Zachary and Josselyn Armijo
5944 Pleasant Farm Court

David and Violet Howard
5949 Pleasant Farm Drive

We bid farewell to long-time residents Wayland and Margie Chavers. As most of you know, Wayland and Margie have been familiar faces in the neighborhood for over 35 years. The “Bus Stop” at the entrance is dedicated to Wayland who served on the Pleasant Farm Board of Directors for many years. They have moved to Morningside of Beaufort (assisted living), not that far away if you want to pay them a visit.

POOL TO OPEN MAY 2ND

Please review the Pool Rules at pleasantfarm.org.

SPRING IS IN THE AIR

Spring is in the air, hibernation is about to end. Time to come out to begin the spruce up of our properties. We encourage everyone to take a good look around in the coming days to assess what must be done. Rake up pine cones, leaves, pine straw and other debris as well as well as bringing out the lawn mower and hedge clippers. A scattered accumulation of yard whimsy, Christmas lights, wood piles, non-functioning yard gates, static vehicles and the accumulated debris around them, yard and garden equipment stored improperly. If everyone will take care of their parcel of property properly and the Board maintains the Community Property, then we can have the neighborhood we can all be proud of. Let's work together to make it happen.

A Message from the **PRESIDENT**

The 2020 Board of Directors has hit the ground running. Expect to see a few capital improvements being made in the next few weeks that will enhance and beautify our community. Let's work together to make Pleasant Farm the best it can be.
